| <b>ID Tag</b>         | Sh82-1h-290608-G                                                                                                                                                                                                                                  |
| <b>Unit size</b>      | 500 Å, Åµg                                                                                                                                                                                                                                        |
| <b>Immunogen</b>      | A synthetic peptide as a part of human Syntaxin-7 (STX7, Syn7, Syntaxin 7) conjugated to an immunogenic carrier protein was used as the immunogen.                                                                                                |
| <b>Conjugate</b>      | Unconjugated antibody                                                                                                                                                                                                                             |
| <b>Also known</b>     | Syntaxin-7, STX7, Syn7                                                                                                                                                                                                                            |
| <b>Host</b>           | Sheep                                                                                                                                                                                                                                             |
| <b>Purity</b>         | IgG                                                                                                                                                                                                                                               |
| <b>Clonality</b>      | Polyclonal                                                                                                                                                                                                                                        |
| <b>Isotype</b>        | Polyclonal, IgG                                                                                                                                                                                                                                   |
| <b>Applications</b>   | IHC, WB. A concentration of 10-50 µg/ml is recommended. The optimal concentration should be determined by the end user. Not yet tested in other applications.                                                                                     |
| <b>Specificity</b>    | Specific for Syntaxin-7.                                                                                                                                                                                                                          |
| <b>Spcs X-react.</b>  | Human. Other species not yet tested.                                                                                                                                                                                                              |
| <b>Format</b>         | Lyophilised                                                                                                                                                                                                                                       |
| <b>Reconstitution</b> | Reconstitute in 500 µl of sterile water. Centrifuge to remove any insoluble material.                                                                                                                                                             |
| <b>Storage</b>        | Maintain the lyophilised/reconstituted antibodies frozen at -20°C for long term storage and refrigerated at 2-8°C for a shorter term. When reconstituting, glycerol (1:1) may be added for an additional stability. Avoid freeze and thaw cycles. |
| <b>Expiry Date</b>    | 12 months after reconstitution                                                                                                                                                                                                                    |
| <b>Shipping</b>       | This item will be shipped to you at ambient temperature in a lyophilised form.                                                                                                                                                                    |
| <b>Limitation</b>     | For research use only                                                                                                                                                                                                                             |
